Ship Structure - Senior Specialist to Lloyd's Register Classification Society (China) Co., Ltd.

12th Floor, Chong Hing Finance Centre, No. 288 Nanjing West Road, Shanghai, 200003, China

Lloyd's Register Group Limited, its affiliates and subsidiaries and their respective officers, employees or agents are, individually and collectively, referred to in this clause as 'Lloyd's Register'. Lloyd's Register assumes no responsibility and shall not be liable to any person for any loss, damage or expense caused by reliance on the information or advice in this document or howsoever provided, unless that person has signed a contract with the relevant Lloyd's Register entity for the provision of this information or advice and in that case any responsibility or liability is exclusively on the terms and conditions set out in that contract.

Type Approval Certificate

Other Conditions

1. Pennant, chaffing chains and their associated fittings should be manufactured and tested in accordance with the requirements of Part 2, Chapter 10 of the Rules and Regulations for the Classification of Ships.
2. Emergency Towing system is to be installed on board to the attending Surveyor's satisfaction.
3. This approval relates to the emergency towing arrangement only. Its attachment to the ship structure should be in accordance with the LR Rules and Regulations for the Classification of Ships for ships Classed or intended to be Classed with LR, or else to the satisfaction of the National Authority.
4. To ensure the validity of this certificate, production facilities are to be inspected by an LR Surveyor who shall verify that the equipment supplied by that facility conforms with the conditions and the approval documentation associated with this certificate.
5. The materials used are to comply with LR Rules and Regulations and the work is to be carried out to LR's satisfaction.

This certificate is not valid for equipment, the design, ratings or operating parameters of which have been varied from the specimen tested. The manufacturer should notify Lloyd's Register Classification Society (China) Co., Ltd. of any modification or changes to the equipment in order to obtain a valid Certificate.

The Design Appraisal Document STS/TA/WSZ/PRJ11100439735/O-948055D and its supplementary Type Approval Terms and Conditions form part of this Certificate.
