Type Approval Certificate

4. Type Approval does not eliminate the need for normal inspection and survey procedures required by the Rules and Regulations.
5. If the specified standards are amended during the validity of this certificate, the product is to be re-approved.
6. The application of this Type Approval Certificate will be limited to the relevant scope of the Specified Standards and acceptance thereof by the local authorities.

This certificate is not valid for equipment, the design, ratings or operating parameters of which have been varied from the specimen tested. The manufacturer should notify Lloyd's Register EMEA of any modification or changes to the equipment in order to obtain a valid Certificate.

The Design Appraisal Document LR20101262TA and its supplementary Type Approval Terms and Conditions form part of this Certificate.
