Expiry Date: 08/06/2025

Type Approval Certificate

Other Conditions

The Charpy V-notch test requirements for the hook material (1.4410) are to be observed in accordance with table 4.2.19 of the Code for Lifting Appliances in a Marine Environment, July 2019.

The lifting hook is only intended to unmanned lifting operations.

This certificate is not valid for equipment, the design, ratings or operating parameters of which have been varied from the specimen tested. The manufacturer should notify Lloyd's Register EMEA of any modification or changes to the equipment in order to obtain a valid Certificate.

The Design Appraisal Document No. HTS/LAP 11019-20 and its supplementary Type Approval Terms and Conditions form part of this Certificate.
