Expiry Date: 17/11/2024

Type Approval Certificate

Installation of this equipment for marine applications is to be in accordance with current Lloyd's Register Rules and Regulations.

This certificate is not valid for equipment, the design, ratings or operating parameters of which have been varied from the specimen tested. The manufacturer should notify Lloyd's Register Canada Limited of any modification or changes to the equipment in order to obtain a valid Certificate.

The Design Appraisal Document No. LR2001815TA and its supplementary Type Approval Terms and Conditions form part of this Certificate.
