Certificate of Approval of a Vinyl Ester Resin

Disclaimer: A post cure will be required to achieve sufficient Barcol hardness to demould in accordance with these Rules. Please contact the manufacturer for their recommended cure cycle.

This certificate is issued to the manufacturer named above. The resin described has been examined in accordance with the requirements of Lloyd's Register and is approved for use in constructions built under Lloyd's Register survey.

This approval is subject to Lloyd's Register being informed of any changes in or modifications to the resin being used in accordance with the manufacturer's instructions and the relevant requirements of Lloyd's Registers Rules and Regulations.
