Issue Date: 19/01/2026

Statement Of Validation

Client Integrity Testing Limited

Address 30 Greenacre Road, Shrewsbury, SY3 8LR, United Kingdom

This statement of validation is awarded to the above company in respect of the following inspection activity

NON-DESTRUCTIVE TESTING OF SHIPS' MOORING AND TOWING POINTS

This statement is issued in accordance with Lloyd's Register Materials and Qualification Procedures for Ships Book N, 17-3.

Scope of Validation

A review of the procedures and on-site demonstration of the hybrid application by Integrity Testing Limited of the ModShock™ and DBTS™ techniques to a sample vessel mounted bollard was conducted by Lloyd's Register NDE Specialist.

This methodology is used for the testing of ships' bollards and other mooring and towing points, to accurately determine the existing capacity and safe working load (SWL) of the asset, as well as the localised deck capacity. Trained and certified operators are to follow the requirements of the Integrity Testing Limited Standard Operating Procedure 006.

The scope of validation is valid from the date shown and is conditional upon the firm maintaining their Quality System and notifying Lloyd's Register of any significant changes in personnel, equipment and/or procedures.
