UK MODULE D CERTIFICATE OF CONFORMITY

USCG-UK MRA

This is to certify that:
LLOYD'S REGISTER VERIFICATION LIMITED (LRV Ltd) did undertake the relevant assessment procedures for the quality system of the manufacturer identified below which was found to be in compliance with the Fire Protection requirements of the Merchant Shipping (Marine Equipment) Regulations 2016, as amended, for the products described in the UK Type Examination Certificates (Module B) listed in the Attachment to this Certificate, subject to any conditions in the schedule attached hereto.

Manufacturer	**Point Eng Ltd.**
Address	Unit 10, Lee Smith Street, Hedon Road, Hull, HU9 1SD, United Kingdom
Reference	MSN1874 Amendment 4
Regulation Item (No & item designation)	UK/3.16 Fire Doors

Approval is subject to continued maintenance of the requirements of the above mentioned Regulations and to all products continuing to comply with the standards and conditions of UK Type Examination (Module B) Certificate issued by Lloyd's Register Verification or other Approved Body, authorised by the MCA, when they are of the above Designation(s).

Approval is further subject to continued maintenance of the certified quality management system in accordance with the requirements of LRBA, Certificate Number 10219478 or an equivalent replacement thereof.

Authorisation is hereby given to the manufacturer to use the LRV Ltd Approved Body Number 0038 in accordance with the requirements of the above mentioned Regulations, in relation to the described product(s).

This certificate remains valid unless suspended, expired or withdrawn, provided that product(s) manufactured under this Certificate remain satisfactory in service and the above quality management system continues to be approved.

This certificate is issued under the authority of the MCA. No product shall be manufactured under this Certificate unless a valid UK Type Examination (Module B) Certificate is held on that product's Technical File. The manufacturer shall advise the Approved Body of all proposed modifications or changes to a product and of proposed changes of manufacturing location or process and shall retain copy of their written authorisation or Certification of such changes.

The manufacturer is allowed to affix the US Coast Guard approval number (USCG Approval Category/NB number/Unique Identifier, as detailed below or subsequent revisions thereof) as allowed by the "Agreement between the United Kingdom of Great Britain and Northern Ireland and the United States of America on the Mutual Recognition of Certificates of Conformity for Marine Equipment", signed on the 14 February 2019.

This certificate provides the basis for the manufacturer or (if applicable) their authorised representative established within the United Kingdom in conjunction with the UK Type Examination (Module B) Certificate of the equipment listed in the scope to affix the "Mark of Conformity" (`Red Ensign Mark').

xABx/(yy)yy

xABx number of the Approved Body responsible for quality surveillance module.

(yy)yy The year (last two or four digits) in which the mark is affixed.
