Certificate No: LR24156848NDV
Issue Date: 16/12/2024

Statement Of Validation

Client Dolphitech AS

Address Raufossvegen 40, Gjøvik, 2821, Norway

This statement of validation is awarded to the above company in respect of the following inspection activity

Matrix Array Ultrasonic Testing

This statement is issued in accordance with Lloyd's Register Materials and Qualification Procedures for Ships Book N, 17-3.

Scope of Validation

Matrix Array Ultrasonic Testing for metallic and non-metallic components using Dolphitech : dolphicam2 product, including a Blackbox and tablet, in combination with Transducer-Receiver Modules(TRM) with frequency ranging from 0.7MHz to 10.0MHz, with and without delay lines for pulse-echo and through transmission techniques.

The manual and semi-automatic inspection abilities including detection and sizing demonstrated in accordance with MAUT procedure LR012024 Rev 6.

The scope of validation is valid from the date shown and is conditional upon the firm maintaining their Quality System and notifying Lloyd's Register of any significant changes in personnel, equipment and/or procedures.
