Lloyd's Register Approved Service Supplier

Maintenance, thorough Examination, Operational Testing, Overhaul and Repair of Lifeboats and Rescue Boats, Launching Appliances and Release Gear
Servicing of the equipment is restricted to UK registered ships operated or managed by North Star Holdco Limited. Service supplier's personnel are certified in accordance with manufacturer's certification programme. The service supplier has been approved to service the equipment in accordance with IMO Resolution MSC.402(96), as amended and where applicable under manufacturers authorisations. In cases where a manufacturer is no longer in business or no longer provides technical support, Flag Administration is to be contacted and authorisation is to be granted for the specific make and model of equipment. Service Engineers are to be provided with a valid certificate, issued by this Approved Service Supplier, which defines their level of qualification and the scope of the certification (i.e makes and types of equipment and specifically states which activities (e.g. annual thorough examination and operational tests: 5-year examination, overhaul; overload operational tests; repairs) are covered by the certification). This certificate should be made available when requested.

This approval is conditional upon the Supplier maintaining the documented scheme as audited by any member of the Lloyd's Register Group and hereby approved; and notifying Lloyd's Register in writing of any change to that scheme including any change in personnel, equipment or procedures. This certificate is issued to the Supplier and, subject to the Supplier complying with the necessary conditions, is valid to the date referred to above.
